So you’re getting a t-shirt made...

Do you already have an image for your t-shirt?

- **YES**
  - Does the image belong to you or did you purchase it from a photo stock website?
  - **YES**
    - Is the image a vector image? (If it contains more than 4 colors or is a photo, it is not a vector image)
    - **YES**
      - Is the image .eps or .ai format?
      - **YES**
        - Great! Send it over!
      - **NO**
        - We’re going to have to find another image, since the image will likely lack quality.
    - **NO**
      - Send us your idea and some examples of images you like and we’ll put something together for you - no added cost! Just remember - we CANNOT replicate or modify other images due to copyright laws! Anyways, who wants an unoriginal t-shirt?
  - **NO**
    - We can’t print the image if it doesn’t belong to you. Licensed, registered, and trademarked images are off-limits. You need legal proof that you have permission to use the images.

- **NO**
  - Sorry, but we can only print vector images with less than 5 colors. Photos are also unacceptable, as they contain millions of colors.
